Instruction for Camp

AGENDAS	CLASSES	RULES
Two of the most important documents that will help you navigate the camp agenda: your Identification card and Timetable. Important things will also report to the board (I floor foyer)	Music classes are held in three rooms: A hall II floor, B hall I floor (café) and 12.room III floor.	<u>The camp manager – teach. Gunta</u> <u>Camp office: I-floor room 3-2. Computer. Copying and printing options. First Aid Kit. Documentation.</u>
The Identification card content your rooms and floor number, as well as your ensemble number, but on the other side - your teacher's name and room number. Carry it all the camp time, also the timetable so that you always have with you!	Lessons for string quartets and cello ensembles A hall II floor; ensembles with piano - B hall I floor; small string ensembles 12.room III floor.	Timetable always keep to himself to plan your time and do not miss any event! Let's be friendly, courteous, helpful and obedient!
Timetable divided into seven vertical columns corresponding to each day of the week. The column at the top is marked class rooms. Horizontal columns (the time clock on the left side) noted, what and where happens.	Remember your ensemble number and follow the timetable to arrive in time everywhere! With the color marked lesson times of your ensemble and other important things.	Do not disturb the other workshops during the classes! After games all leave in neat order. The stairs go quietly and carefully!
In timetable without music lessons, there are other measures: Rising, Morning gymnastic, Rooms management, Evening Ring, bedtime - they are all at the same time and shall be adhered to by all. Evening ring is very important, as will be announced all news.	These summer camps novelty: consultations for strings (A hall and 12.room). You can also get advices on bowing, fingering etc. only by prior arrangement with the ensemble teacher.	Let's go swim only with the teacher authorization under their control! Will not go alone outside the camp in no teach. Gunta permit (the morning race fans!). If you feel unwell - immediately turn to your teacher.
If will have a good weather - the Evening Ring will be around the campfire. Fire team: teach. Reinis, Paulis, Jurgis, Augustinas	Individual practice can also be in your rooms; times to divide brotherly themselves.	With other questions first have recourse to your teacher; then well teach. Gunta will help.
Morning walk around 9:30 will check tidiness in your room; At every Evening ring two best rooms will receive bonuses.	Another novelty this year: will be able to learn the basic English (ENG). Thank Indra!	Stands without permission not to transfer! They must be: 7 in A hall; 3 in B Hall; 4 in 12.room.
<u>Breakfast, lunch and dinner - at B Hall I floor, Afternoon Tea - I floor foyer.</u>	Since the piano we have only one, then pianist every evening signs up for practicing to the next day (schedule at the bulletin board).	<u>Teachers request: at the evening before each concert to present Gunta ensembles programs to prepare this fot the audience.</u>
We will continue the tradition of " <i>Letter to a Friend</i> ". Paper, pencils and stickers will be at the outdoor. Postman teach Reinis distribute mail each morning. Also, teachers will be happy for your letters.	Stands without permission not to transfer! They must be: 7 in A hall; 3 in B Hall; 4 in 12.room.	At the evening before each concert you will prepare the concert dress (maybe ironed?), Shoes, socks, as well as notes and instruments (cellos legs!). Stands will be.
Free time creative workshop (III floor 10.room) we will make something interesting for party „ <i>August stars</i> ”. →	This creative workshop will be led by Dārta and Lība	The rooms will be in good order. Every morning, they will be tested (Morning-walk)!
<u>Leisure: games and games indoors (I and II floor foyer) and outdoors (meadow, the field near the house, I floor outdoor terrace).</u> →	Sports - Helvijs; Chess - David; Movement games - Gabija and Marta	Let's drink only <i>Wenden</i> water, using disposable cups; next to the waste basket for used.
<i>Dolls room</i> this year at III floor room 10A (also I-floor room 3-1)→	Responsible Kristiāna and Evelina.
